

Name	Areas of Service	Certifications/Licenses
Rebecca Abney	Soil Organic Matter, Biogeochemistry	
Peter Avers Jr.	Soil Mapping & Classification (for septic permitting)	
Richard Bradshaw (Donnie)	Soil Mapping & Classification	Certified Soil Classifier GA counties serviced: Effingham, Chatham, Bryan, Bulloch, McIntosh, Glynn, Camden, Liberty, Long, Candler, Evans, Emanuel, Tattnall, Toombs, Wayne
David C. Coyle	Soil Mapping & Classification Onsite Wastewater Disposal (<10,000 gpd) Land Application of Wastewater (>10,000 gpd) Land Application of Sewage Sludge Nutrient Management	Certified Professional Soil Scientist (CPSS – SSSA); North Carolina Licensed Soil Scientist; Tennessee Licensed Soil Scientist; GA Certified Nutrient Management Plan Specialist; NC Certified Nutrient Management Planner
Andrew Croy	Soil Mapping & Classification Wetland Delineations	Georgia, Alabama, South Carolina Soil Societies; Soil Science Society of America; Society of Wetland Scientists
Patrick Davies	Soil Mapping & Classification Onsite Wastewater Disposal (<10,000 gpd) Wetland & Stream Delineation Wetland & Stream Jurisdictional Determinations US Army Corps of Engineers and Georgia EPD Permitting Wetland & Stream Mitigation	GA DPH Certified Soil Classifier #452
Rachel Earwood	Wetland Delineation & Jurisdictional Determination	
David Ferrell	Wetland Delineations (Wetland Permits & Mitigation) Conservation Practice Design & Installation	Registered Forester #1310; Certified Erosion & Sediment Control Specialist (CPESC #641) Most work confined to SE GA
Nandita Gaur	Onsite Wastewater Disposal (<10,000 gpd)	

Joseph A. Gnann	Soil Mapping & Classification Erosion & Sediment Control Stormwater Management Onsite Wastewater Disposal & System Design (<10,000 gpd) Land Application of Septage Wetland Determination Groundwater Monitoring, Modeling & Statistical Analysis	GA DPH Certified Soil Classifier, Certification 175 (1997); AL Registered Professional Soil Classifier, Certificate 104 (2012)
Eric Hamilton	Soil Mapping & Classification Onsite Wastewater Disposal (<10,000 gpd) Land Application of Wastewater (>10,000 gpd) Land Application of Sewage Sludge Wetland Determination Nutrient Management	DPH CSC #224
Erin M. Harris	Erosion & Sediment Control (design, monitoring, regulation, and expert services - <i>i.e. technical review and litigation support</i>) Wetland Delineation & Restoration Other: Phase 1 Environmental Site Assessment, Watershed Assessments, Watershed Protection Plans, Watershed Management Plans	Certified Professional Soil Scientist; Georgia Certified Soil Classifier; Texas Professional Geoscientist; South Carolina Licensed Professional Soil Classifier; Certified Professional in Erosion and Sediment Control; Georgia Level II Certified Erosion and Sediment Control Design Professional; Georgia Level II Certified Erosion and Sediment Control Design Trainer; Georgia Level 1B Certified Erosion and Sediment Control Inspector; and Professional Wetland Scientist
Kevin Herndon	Soil Mapping & Classification Onsite Wastewater Disposal Land Application of Wastewater Wetland & State Water Determination	GA DPH Soil Classifier
Christian Hoadley	Soil Mapping & Classification Stormwater Management Onsite Wastewater Disposal (<10,000 gpd) Wetland Determination Other: Stream Classification & Phase I Environmental Site Assessments	Certified Professional Soil Scientist (CPSS) # 366743; DPH Certified Soil Classifier # 502

Richard S. Joslyn	Soil Mapping & Classification Onsite Wastewater Disposal (<10,000 gpd) Land Application of Sewage Sludge Wetland Determination	Certified Soil Classifier, Ga.DPH
Tim Kring	Soil Mapping & Classification Onsite Wastewater Disposal Land Application of Wastewater Land Application of Sewage Sludge	Certified Soil Scientist/Soil Classifier, GA #101, SC #87, AL #103, SSSA #4297; GA Licensed Wastewater Laboratory Analyst #WWL014591; GA Licensed Class 1 Wastewater Operator #WW1-015063
Ashley Kuzava		REHS
Jay Lessl	Soil Mapping & Classification Nutrient Management Other: Analytical Laboratory for analysis of soils, water, animals wastes & biosolids	
Matthew Levi		
Thomas Macfie	Onsite Wastewater Disposal (<10,000 gpd)	GA Certified Soil Classifier 140
Daniel Markewitz	For Consulting: Geophysical sensing, Forest soil-site productivity	Masters of Environmental Management (MEM), PhD Forest Soils
Shawn May	Soil Mapping & Classification	Department of Public Health Certified Soil Classifier
Brannon Miles	Soil Mapping & Classification Land Application Wetland Delineation & Permitting Phase I & II Environmental Assessments	GA Soil Classifier
Joseph Morris	Soil Mapping & Classification Onsite Wastewater Management Systems	Soil Classifier
Chris Parker		

Dee Cabaniss Pederson	Soil Mapping & Classification Wetland Determination Soil Survey Interpretations	
Curtis Ray	Soil Mapping & Classification Onsite Wastewater Disposal (<10,000 gpd) Wetland & Stream Delineation Wetland & Stream Jurisdictional Determinations US Army Corps of Engineers and Georgia EPD Permitting Wetland & Stream Mitigation	GA DPH Certified Soil Classifier #446
Jason E. Reagan	Soil Mapping & Classification Onsite Wastewater Disposal (<10,000 gpd) Septic Installation Inspections Septic System Design	CSC; REHS; DPH Inspector Level II
Jeff Reichel Jr.	Soil Mapping & Classification Conventional Septic System Design (<10,000 gpd) Wetland Determination	GA DPH Certified Soil Classifier #503
Rusty Royston	Soil Mapping & Classification Erosion & Sediment Control Onsite Wastewater Disposal (<10,000 gpd) Land Application of Wastewater (>10,000 gpd) Wetland Determination	Georgia DPH Certified Soil Classifier (No. 138)
Ros Scott	Soil Mapping & Classification Land Use Classification	Certified DPH Soil Classifier; Registered Environmental Health Professional
Kevin Smith	Soil Mapping & Classification Erosion & Sediment Control Onsite Wastewater Disposal (<10,000 gpd) Land Application of Wastewater (>10,000 gpd) Wetland Determination	GA DPH Soil Classifier #187; NSCSS-Registered Professional Soil Scientist #102; SC DNR Professional Soil Classifier #72; AL Professional Soil Classifier #94; Certified Professional in Sediment and Erosion Control #5727; Soil Science Society of America - Certified Professional Soil Scientist

Troy N. Smith	Soil Mapping & Classification Onsite Wastewater Disposal (<10,000 gpd) Wetland & Stream Delineation Wetland & Stream Jurisdictional Determinations US Army Corps of Engineers and Georgia EPD Permitting Wetland & Stream Mitigation	GA Certified Soil Classifier #435 / SC; Professional Soil Classifier # 74
James W. Spotts	Erosion & Sediment Control	CPSS CPESC; GASWCC- all levels
J. Brandon Stuart	Soil Mapping & Classification Erosion & Sediment Control Stormwater Management Onsite Wastewater Disposal (<10,000 gpd) Land Application of Wastewater (>10,000 gpd) Land Application of Sewage Sludge Wetland Determination	GA DPH CSC 438
